

**Notice of Availability of a
Final Environmental Assessment and
Finding of No Significant Impact
for the proposed Southwest Development Area
at Greenbrier Valley Airport**

AGENCY: Federal Aviation Administration, U.S. Department of Transportation

The Federal Aviation Administration (FAA) has assessed the potential environmental impacts for the proposed construction of the Southwest Development Area at the Greenbrier Valley Airport in Lewisburg, West Virginia. The FAA has determined the project, as proposed, would not significantly affect the quality of the human environment and that an Environmental Impact Statement is not necessary. An Environmental Assessment (EA) was prepared and a Finding of No Significant Impact (FONSI) has been issued. The EA and FONSI are available for review on the Airport's website at <https://mylwb.com/about/rfps-documents>, or during normal working hours at the Airport:

Greenbrier Valley Airport
558 Airport Road
Lewisburg, WV 24901
